

SOP for Hostel Accommodation for students not completing the academic program within the standard duration and beyond the maximum duration

1. Preamble:

To facilitate the timely graduation of students and support their academic progression and future professional success, and in light of the limited availability of on-campus hostel accommodations, along with the ongoing construction of additional hostel facilities, it has become essential to establish a structured, transparent, and efficient system for the allocation of hostel resources.

Accordingly, this Standard Operating Procedure (SOP) outlines the guidelines and process for applying for hostel accommodation for students who:

- ✚ Do not complete their program within the standard duration,
- ✚ Continue their studies up to the maximum permissible duration, or
- ✚ Seek hostel accommodation beyond the maximum duration of their program.

This framework is intended to ensure equitable and judicious allocation of the available hostel facilities while maintaining academic continuity and providing due consideration to deserving and eligible students.

2. Eligibility Criteria:

As per the notification (Ref: IITG/SA/HAB/POLICY/270/Vol. VII/238; dated: 11.12.2025), hostel accommodation will be provided on a shared basis to students who have exceeded the extended/maximum duration, as listed below

2.1. Extended Duration

- ✚ B.Tech./B.Des./B.S.: Standard 4 years + 1 year
- ✚ M.Sc./M.A./M.Tech./M.Des./MBA/MS(R): Standard 2 years + 1 semester
- ✚ Ph.D.: 5 years + 1 additional year

but are within the following maximum duration timelines

2.2. Maximum Permissible Duration

- ✚ B.Tech./B.Des./B.S.: 6 years
- ✚ M.Sc./M.A./M.Tech./M.Des./MBA/MS(R): 4 years
- ✚ Ph.D.: 6 years (full-time students)

3. Accommodation Beyond Maximum Duration:

Students requiring hostel accommodation beyond the maximum permissible duration must:

- ✚ Submit a formal appeal through the proper channel.
- ✚ Provide valid academic justification and supporting documents.

Such requests will be reviewed on a case-by-case basis, and approval will not be automatic.

4. Application Procedure:

To avail hostel accommodation for students falling under section 3, students must follow the procedure outlined below:

4.1. Form Download

- ✚ Obtain the appropriate Accommodation in Hostels Form:
 - Separate forms are available for Ph.D. students (**Spl. Acco. 01**) and non-Ph.D. students (**Spl. Acco. 02**).

4.2. Form Submission

- ✚ Fill in all required details accurately.
- ✚ Submit the form through the proper channel.

4.3. Submission Timeline

- ✚ The completed form must be submitted at least 20 days prior to semester registration.

4.4. Verification and Approval

The application will be reviewed before confirmation of hostel allocation.

5. Important Conditions:

-  Accommodation is subject to the availability of rooms and institutional policy.
-  Allocation during the extended period will be on a sharing basis.
-  Students are responsible for tracking application status and ensuring timely submission.

6. Non-Submission Clause:

-  Students who fail to submit the application form within the stipulated timeline:
 - Will be allowed to register only as non-hostellers, and
 - Will be permitted to access the academic and administrative areas strictly for academic purposes only.

7. Conclusion:

This SOP aims to streamline the accommodation process for students beyond standard program timelines while ensuring optimal utilization of hostel facilities and maintaining equity among applicants.
